

Ridgefield Library 2018 Applicant Registration Form

The Ridgefield Library's Girls Who Code "mini-club" one-semester curriculum will run from early February - May 2018. It is open to girls who are Ridgefield residents and are currently in grades 6, 7 and 8 (or the home-schooling equivalent). Meetings will be held Tuesdays from 4:00 - 6:00 PM in the Donofrio Family Technology Center at the Ridgefield Library. Sessions are held weekly (with some adjustment for school vacations) and registrants are expected to attend all sessions if possible (some leeway will be granted for unavoidable conflicts). By submitting this registration form, you are agreeing that you have seen and understand these guidelines.

Space is limited by the size of the technology center to a maximum of 15 students. If interest exceeds capacity, participants will be chosen by random lottery from all registrations received **by January 15, 2018**. Please complete the information below and return this form to the Ridgefield Library in hard copy or by email to GirlsWhoCode@ridgefieldlibrary.org by 11:59 PM on January 15th. Fields marked with an asterisk * are required.

Coder's First Name _____ *

Coder's Last Name _____ *

Coder's Email (optional) _____

Coder's Address _____ *
