203/438-2282 or email Lesley Lambton
at rdgprograms@biblio.org.

New discussion groups are added daily - visit www.ridgefieldlibrary.org

Overview

In celebration of its one hundredth birthday, the Ridgefield Library is conducting a town-wide reading program, "*Ridgefield Reads*."

"Ridgefield Reads" is a "One Community-One Book" project - a popular phenomenon currently sweeping the nation. These popular library-sponsored events encourage a community to read a selected text and then come together to share their experience through discussion groups and related programs. In Ridgefield, we chose L. Frank Baum's 1900 fantasy bestseller, *The Wonderful Wizard of Oz*, the first of a long series of Oz books (a la Harry Potter) and source material for the 1939 Judy Garland film.

The goal of the "Ridgefield Reads" program is to promote reading among young people and families, to engage the community in a dialogue about shared values and to celebrate 100 years of books, reading the free and spirited exchange of ideas in our community made possible by the Library.

Throughout the fall, we will offer dozens of book discussions, film showings, lectures, and even a costume ball - all based on L. Frank Baum's original fantasy bestseller, *The Wonderful Wizard of Oz*. Ridgefielders of all ages are invited to take part. Visit the Library or our website for more details.

For more information about "Ridgefield Reads," contact Adult Program Director, Lesley Lambton at 203-438-2282 or via e-mail at rdgprograms@biblio.org.
